## Multi - Activity Days

**Sailing, kayaking, archery, canoeing, tunnelling, assault course, rafting...come for a day (or more) and try some new activities**

Our multi-activity days are a great chance for 8—12 year olds to come and try out some new activities.

You'll do an activity in the morning and one in the afternoon with other children of a similar age. Our fully qualified instructors will make sure that everyone has a safe and fun experience—whether it's your first time or not. There'll be a speaker at lunchtime with a short, engaging talk too.

- Book for one day or multiple
- Bring a packed lunch
- No experience needed
- Arrive 9.30 am, pick up 5 pm

Check the website for specific dates, prices and booking information
