

Bursary Fund

Financial help is available from Christian Youth Enterprises to assist in the cost of training and other activities which will enhance your personal and spiritual development.

Applicants will normally be aged 25 or under.

A small group of Trustees considers each application with regard to the potential benefit at both personal and spiritual levels, as well as the benefit to CYE.

Situations where financial hardship is a factor will receive very sympathetic consideration.

As with all charities, funds are limited. The applicant will normally be expected to contribute at least half of the cost of activities/training.

Awards cannot be granted for equipment and clothing.

If there is an exceptional reason, the application may be completed by the counter signatory on behalf of the applicant.

Occasionally by prior arrangement an application may be made on behalf of a group.

A condition of receiving an award will be to provide Christian Youth Enterprises with a short piece of feedback after the event, saying why the subsidy was important and how it helped the recipient. We will contact you for your feedback after the event.

Please return the completed form to an address listed at the bottom.
